

Golddiggers Volleyball Booster Club

Minnesota Golddiggers Volleyball Booster Club

The *Golddiggers* are an organized group of volleyball enthusiasts supporting the *University of Minnesota Golden Gopher Women's* Volleyball program and its student-athletes. Through your membership in this group, you will become a vital part of the Gopher Women's Intercollegiate Volleyball program ... you will experience the excitement that surrounds Division I women's intercollegiate athletics.

Your membership in the *Golddiggers* helps support for the University of Minnesota volleyball program and the student-athletes who are striving for academic and athletic excellence. Your participation also helps us to increase fan attendance, community support, and enthusiasm for the sport.

As a *Golddigger*, you are invited to attend the annual First Practice and Dinner event in August, post-match receptions during the regular season, and the team's annual post-season awards banquet in February 2010. The *Golddiggers* host informal receptions for the players, coaches, and booster club members after Saturday home matches in the Club Room of the Sports Pavilion. These are opportunities for you to meet individual players and coaches one-on-one – to learn more about them as student-athletes and as individuals. You will meet fellow volleyball enthusiasts, build important relationships, and make lasting friendships.
